NINETEEN HUNDRED & EIGHTY QUABOAG

Colleen! ☺

I'm so glad that we became friends. We've been through so much this one year. I'll never forget the times we've had struggling to make our dreams come true with Terry & Ted. We've accomplished a lot with them this year. I'll never forget the advice you gave me, if it weren't for you, I'd probably not be going out with Terry right now. You've helped me so much, and I'll never forget the ways you've helped me. I don't know how to thank-you except to say "Thank-you for being a friend." When-ever I needed somebody to talk to, you were always there, I don't know where I would stand right now if it weren't for you. I'll never forget all the crazy, I mean crazy times we've had. One thing I'll never forget is the Super-Wall Now that was great. And all the other good times. We've had so many, It's hard to remember them all. We've come so close in such a short time and I'm glad we did. If you ever need somebody to talk to, I'll be here to listen, I may not be the greatest person for giving advice but I'll help you anyway I can. Don't forget that I'm here if you ever need me. I hope you get everything out of life because you're worth it! Good luck with Ted (Joe!)

Lotsa Love

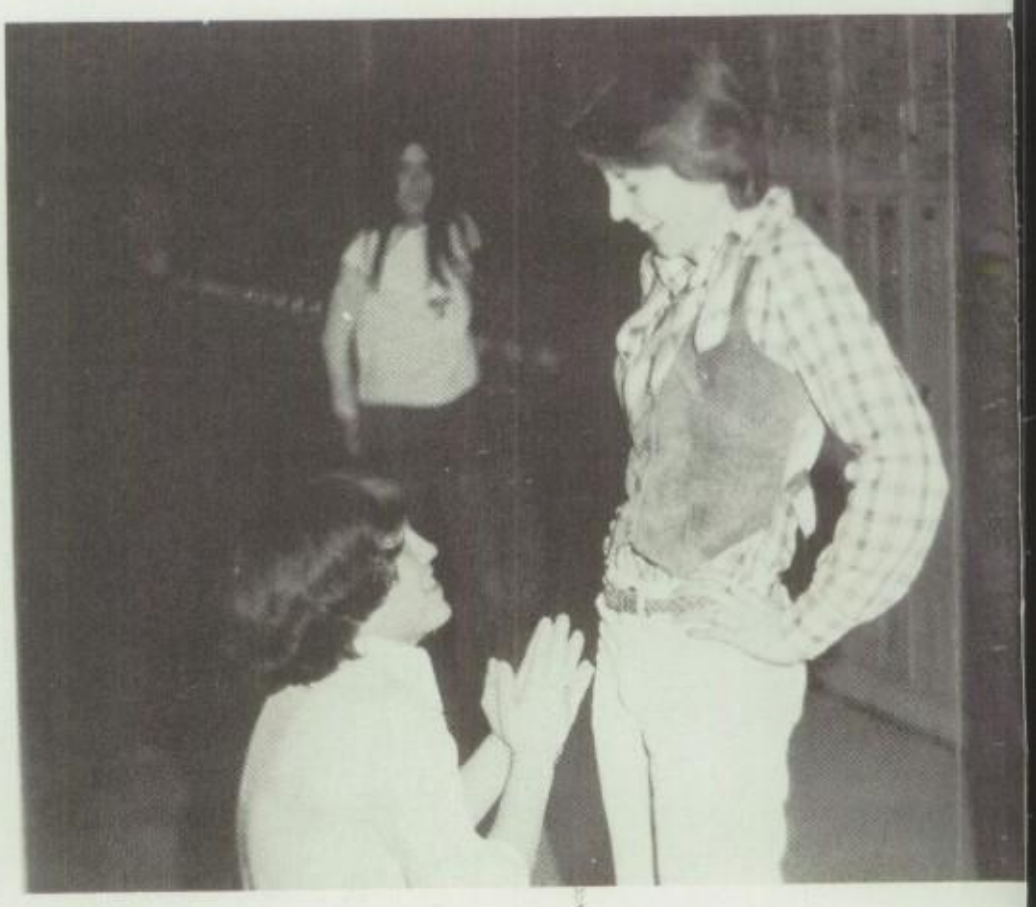
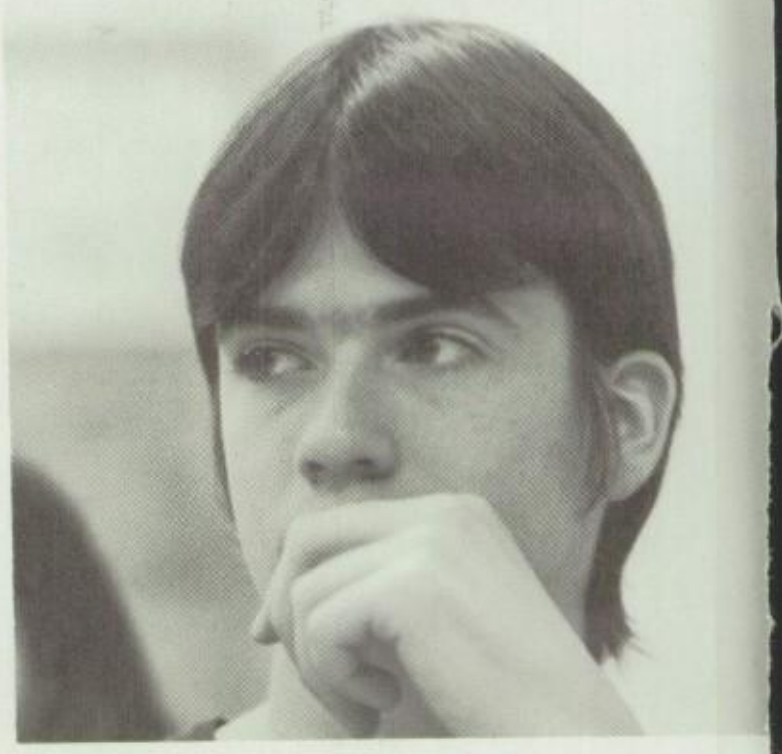
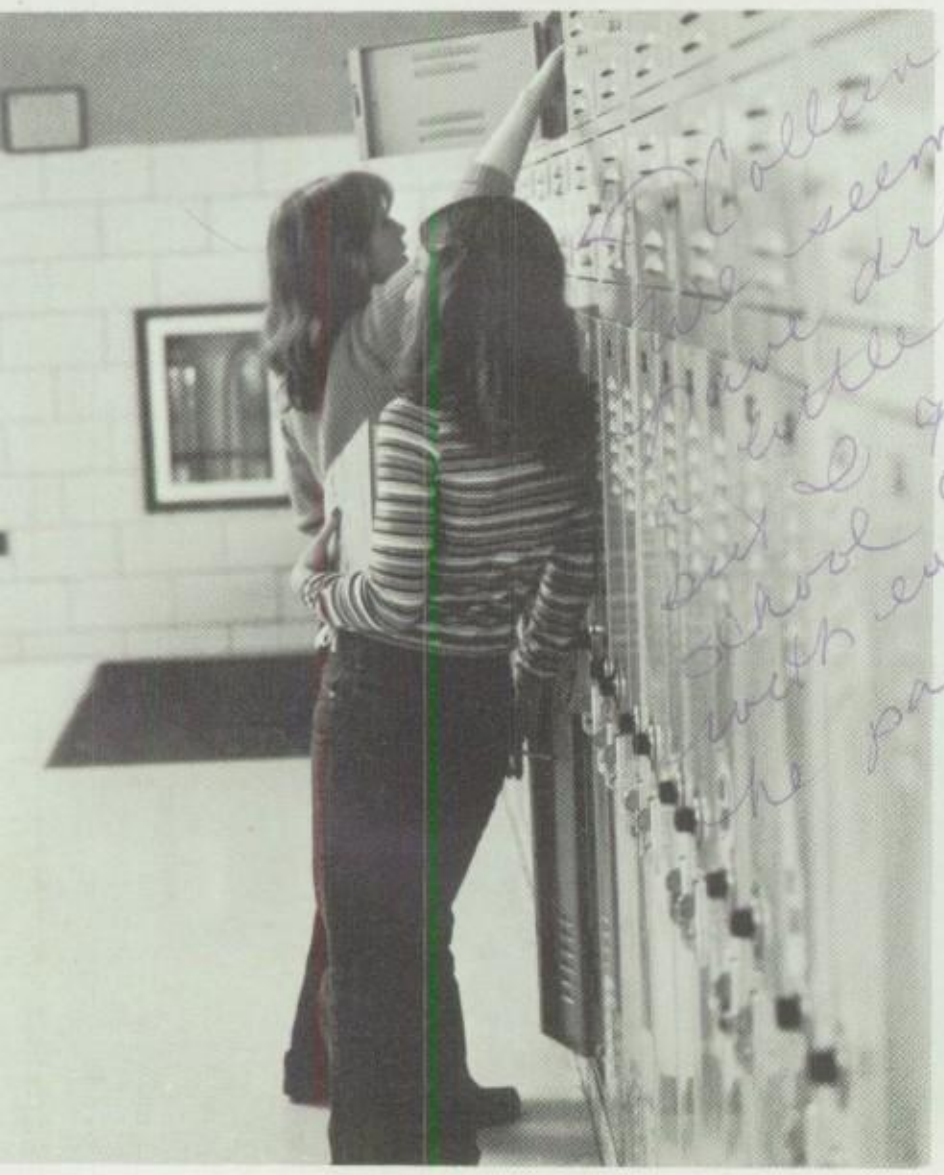
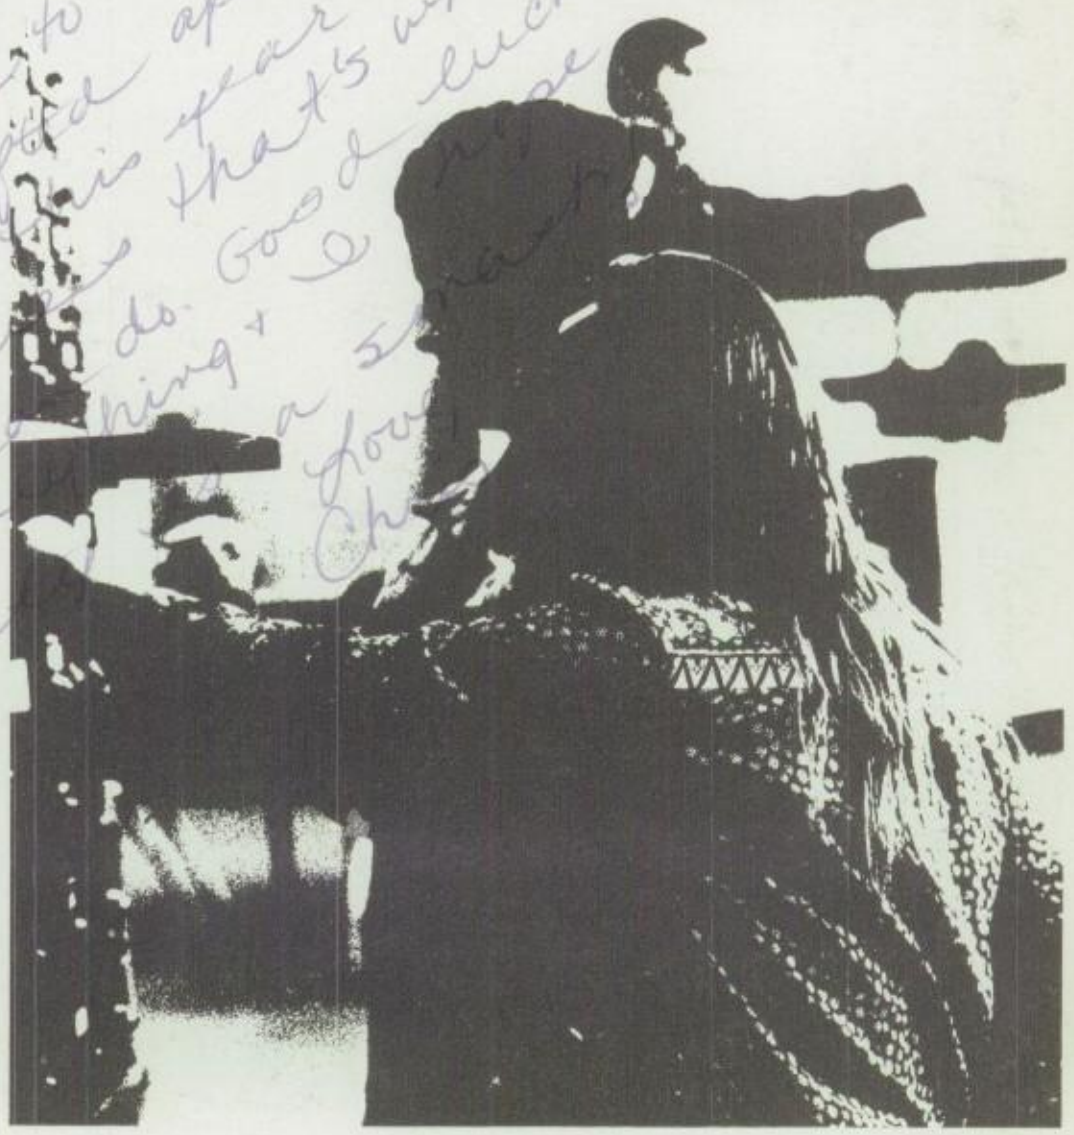
Our time is here — —



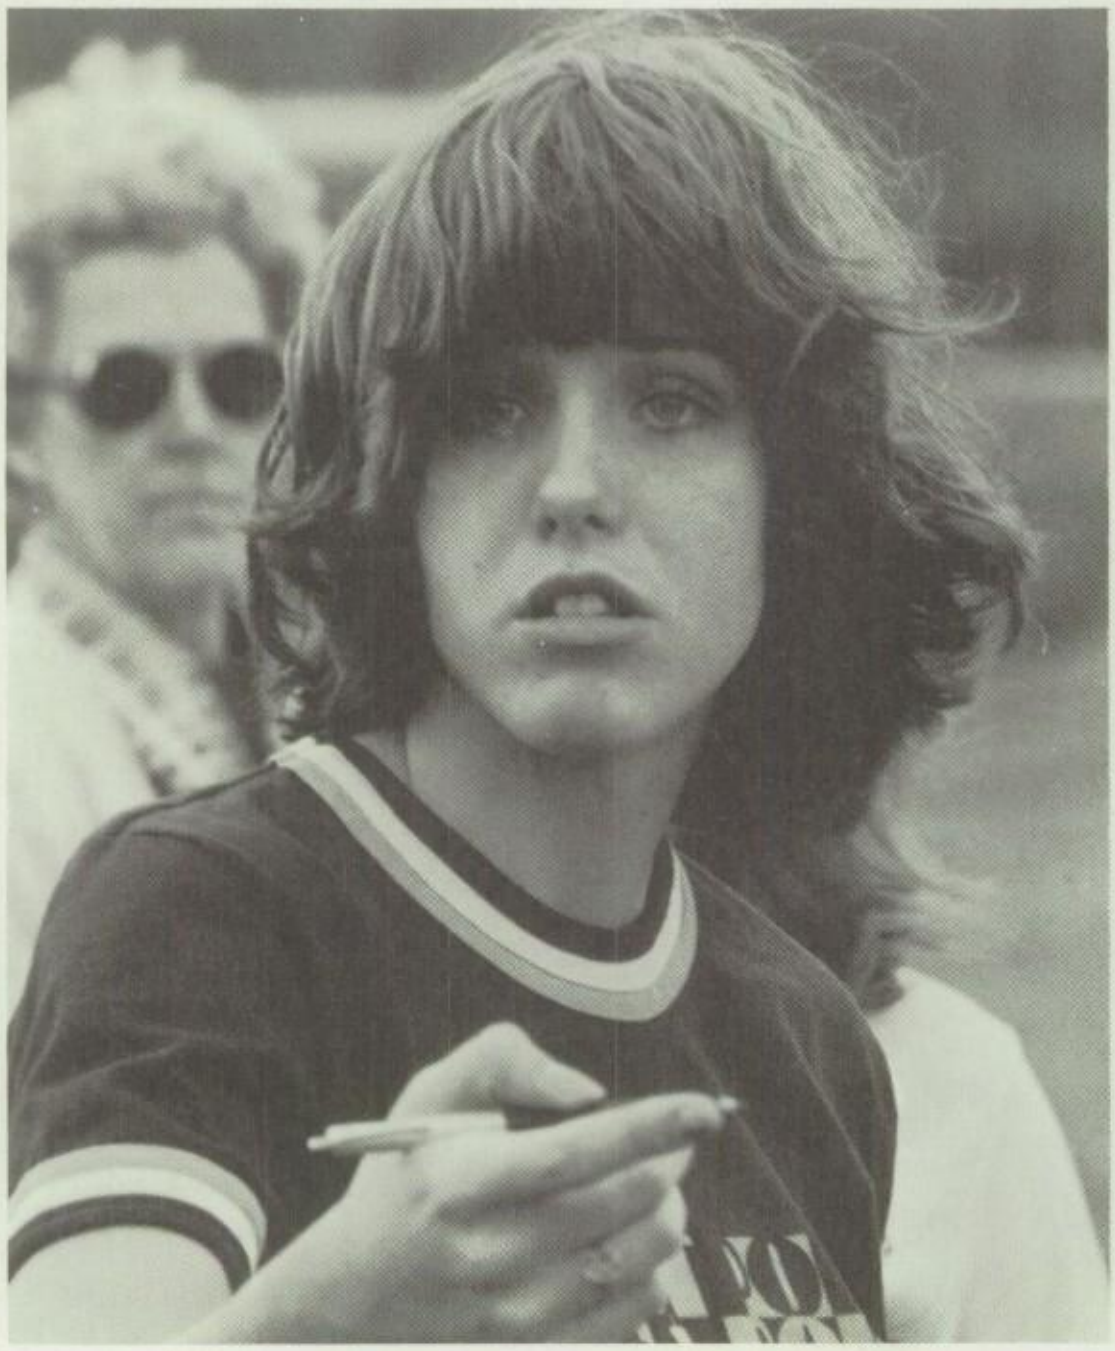


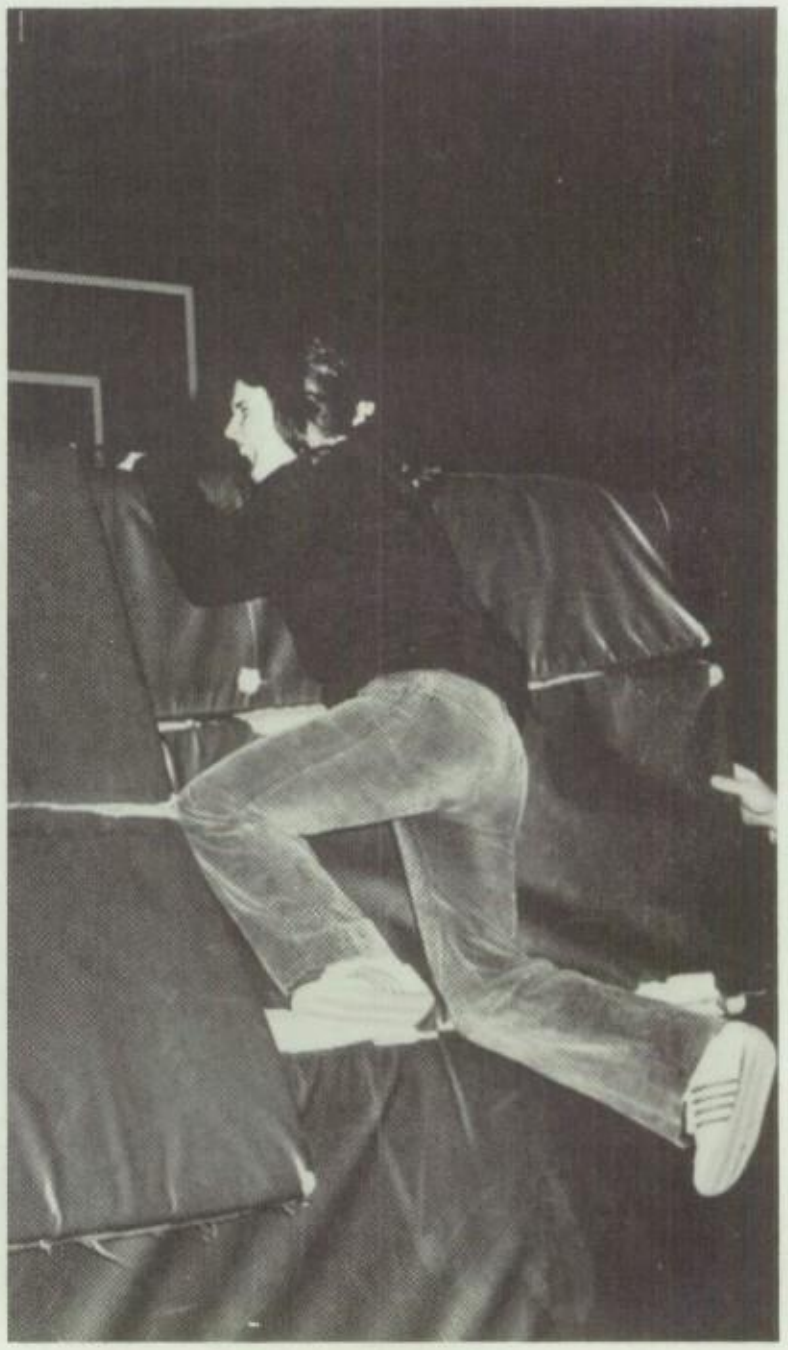
Now we are looking forward to our future.



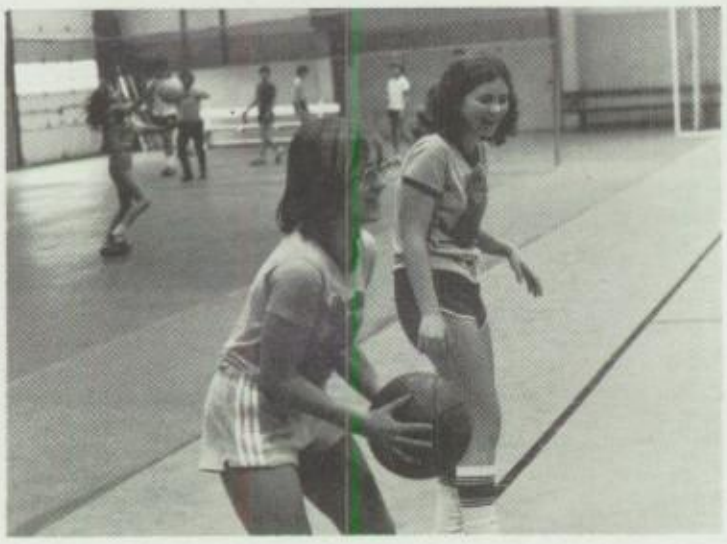


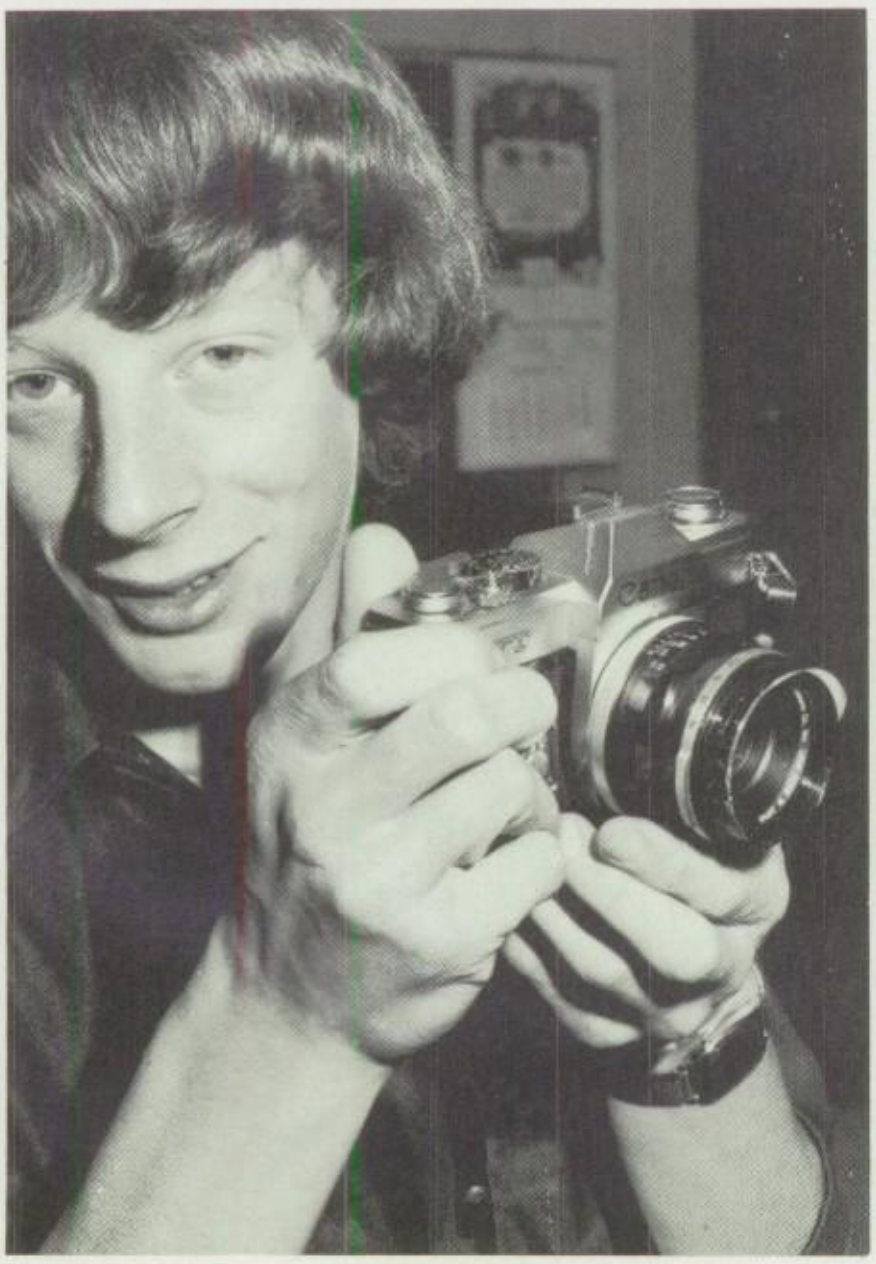
We've faced many problems over the years,





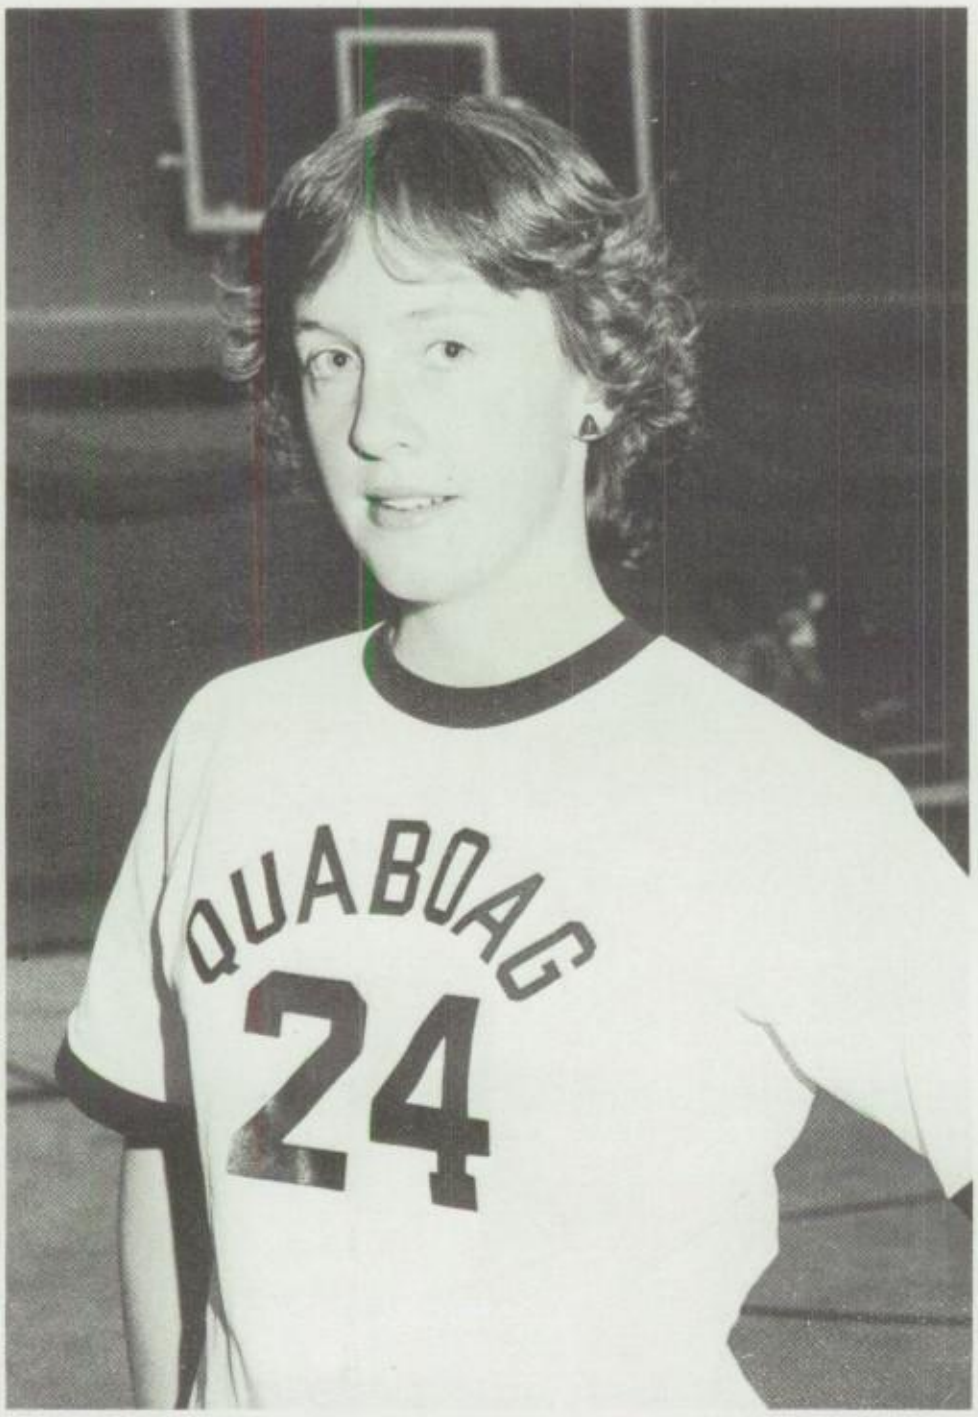
But they all
seemed to work out.

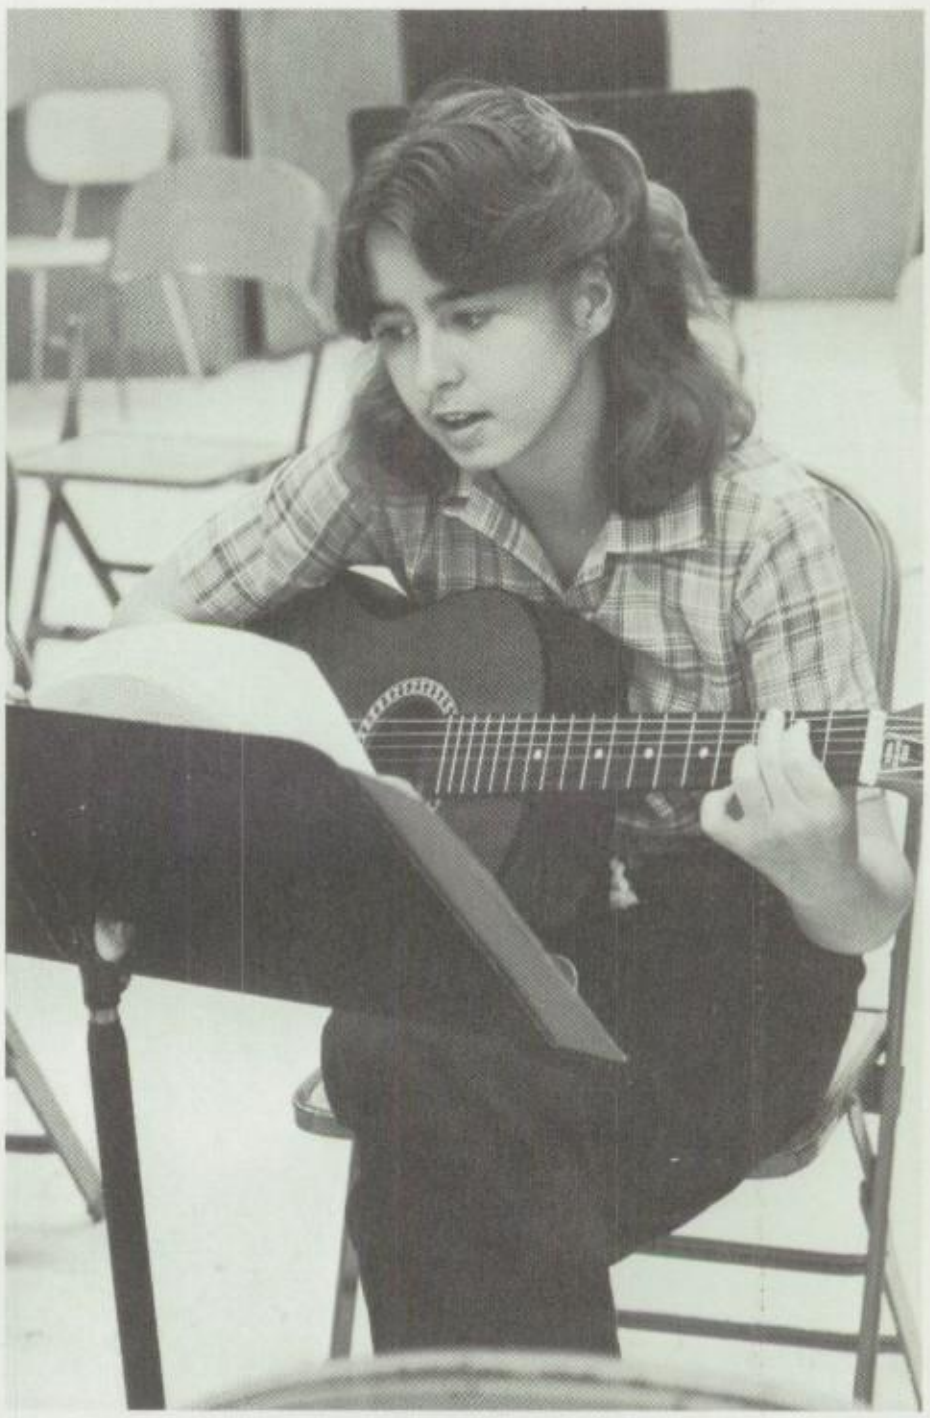


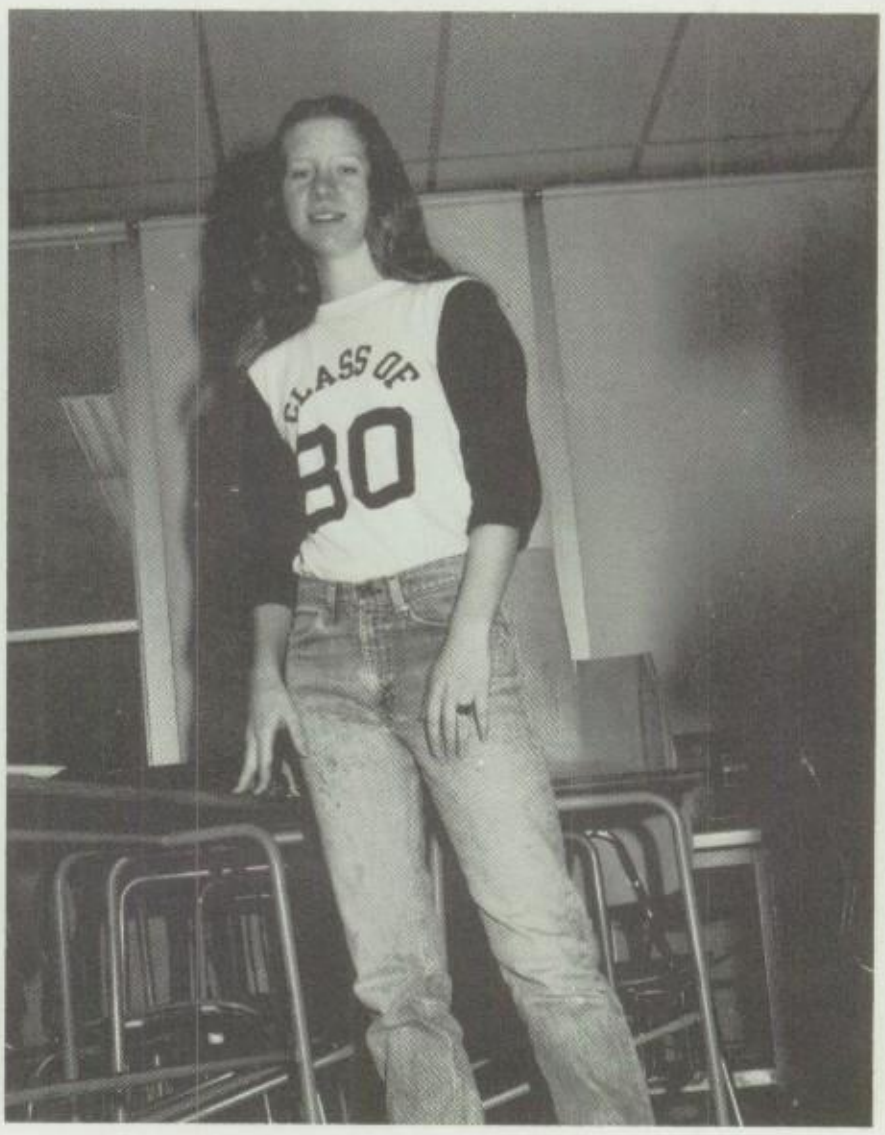


Our moms and dads won't set the rules —

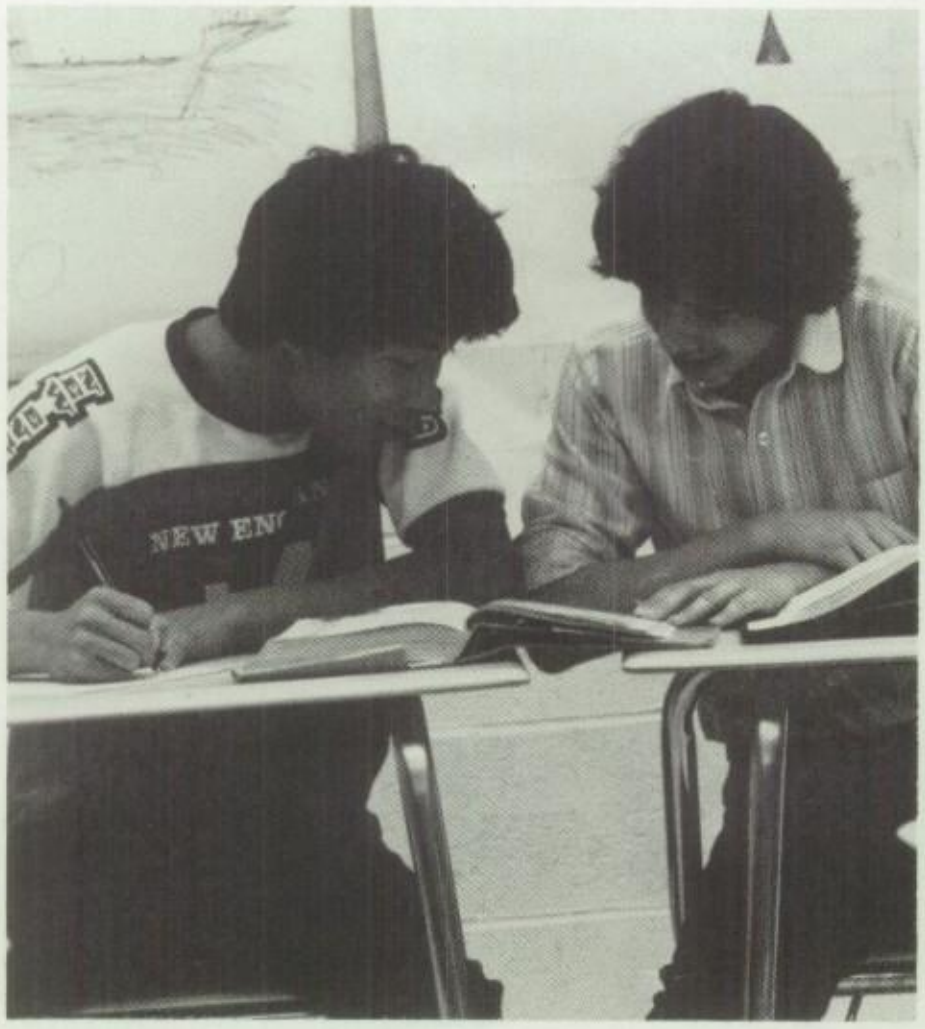
We can set our own.

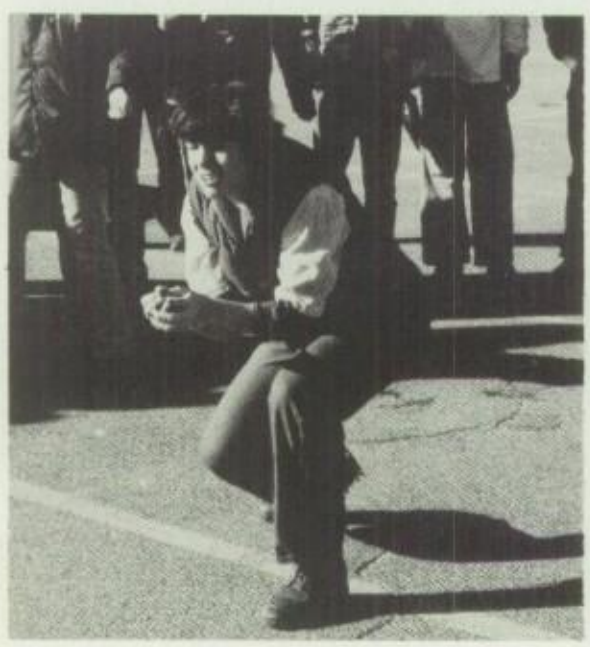




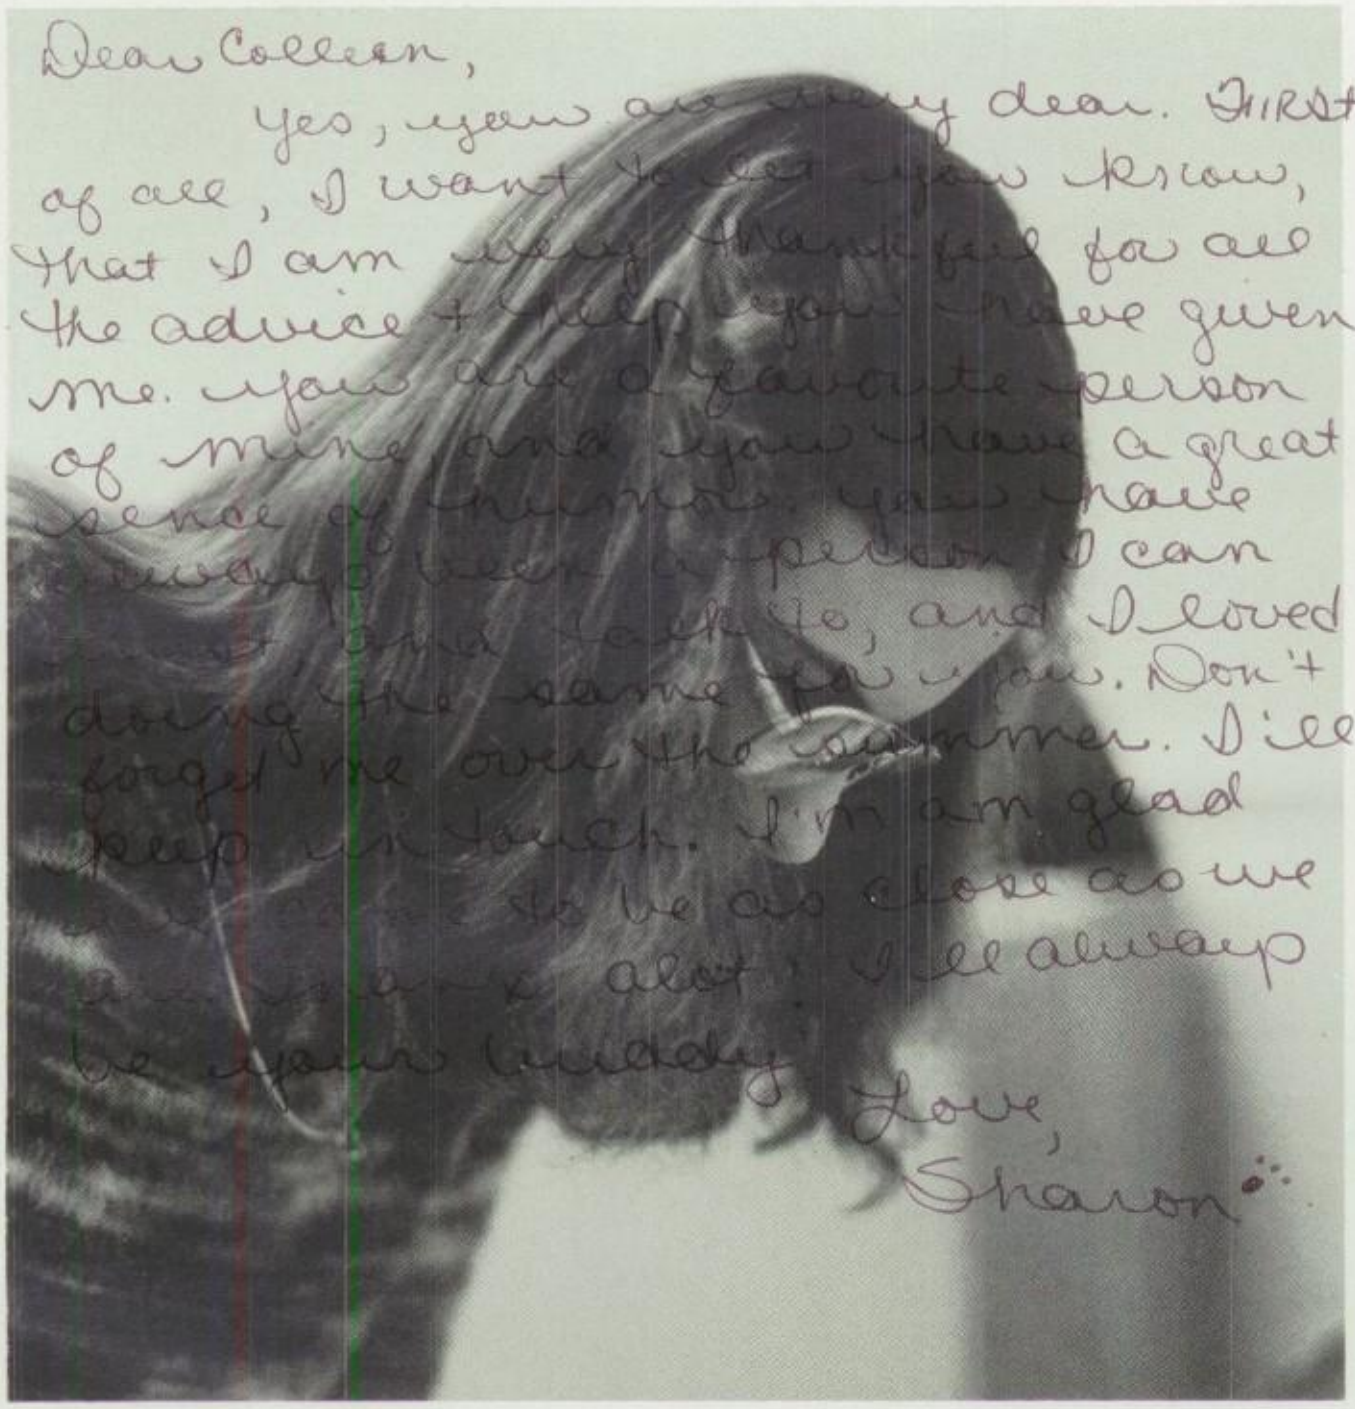


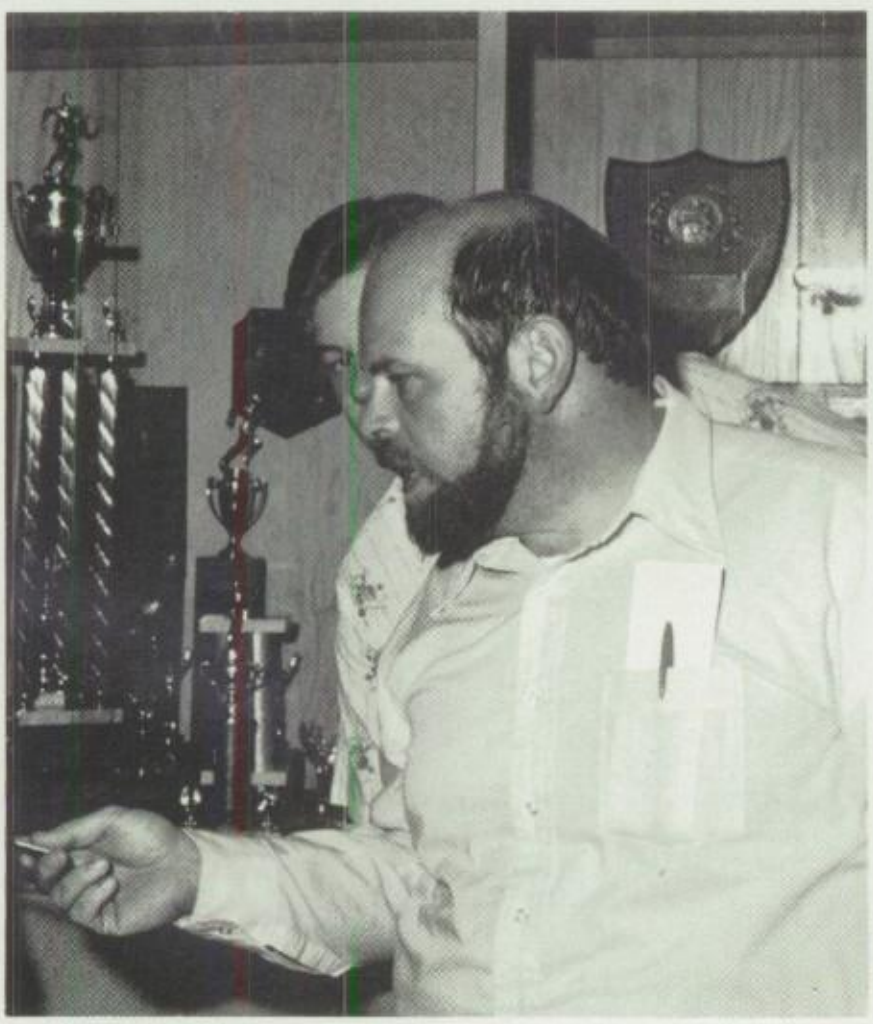
And no more Big Brother to fight our battles.

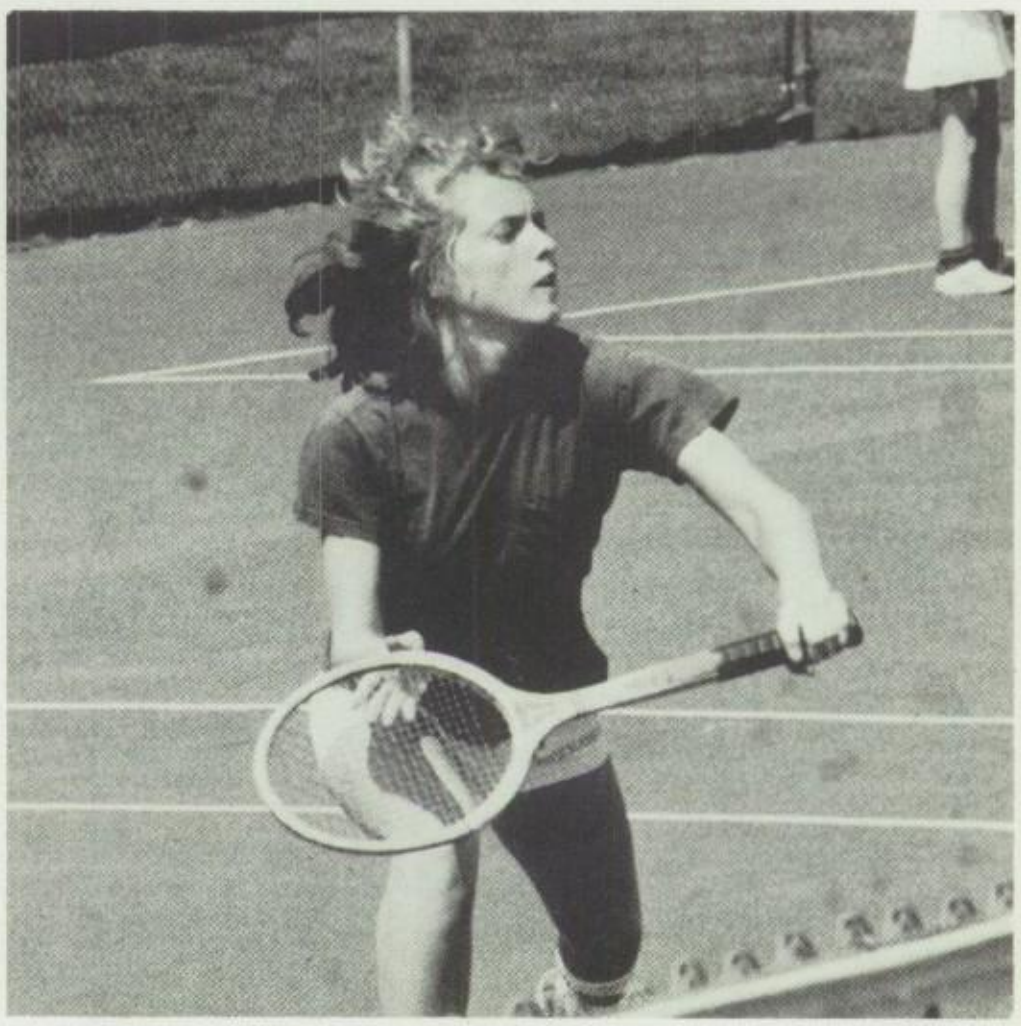




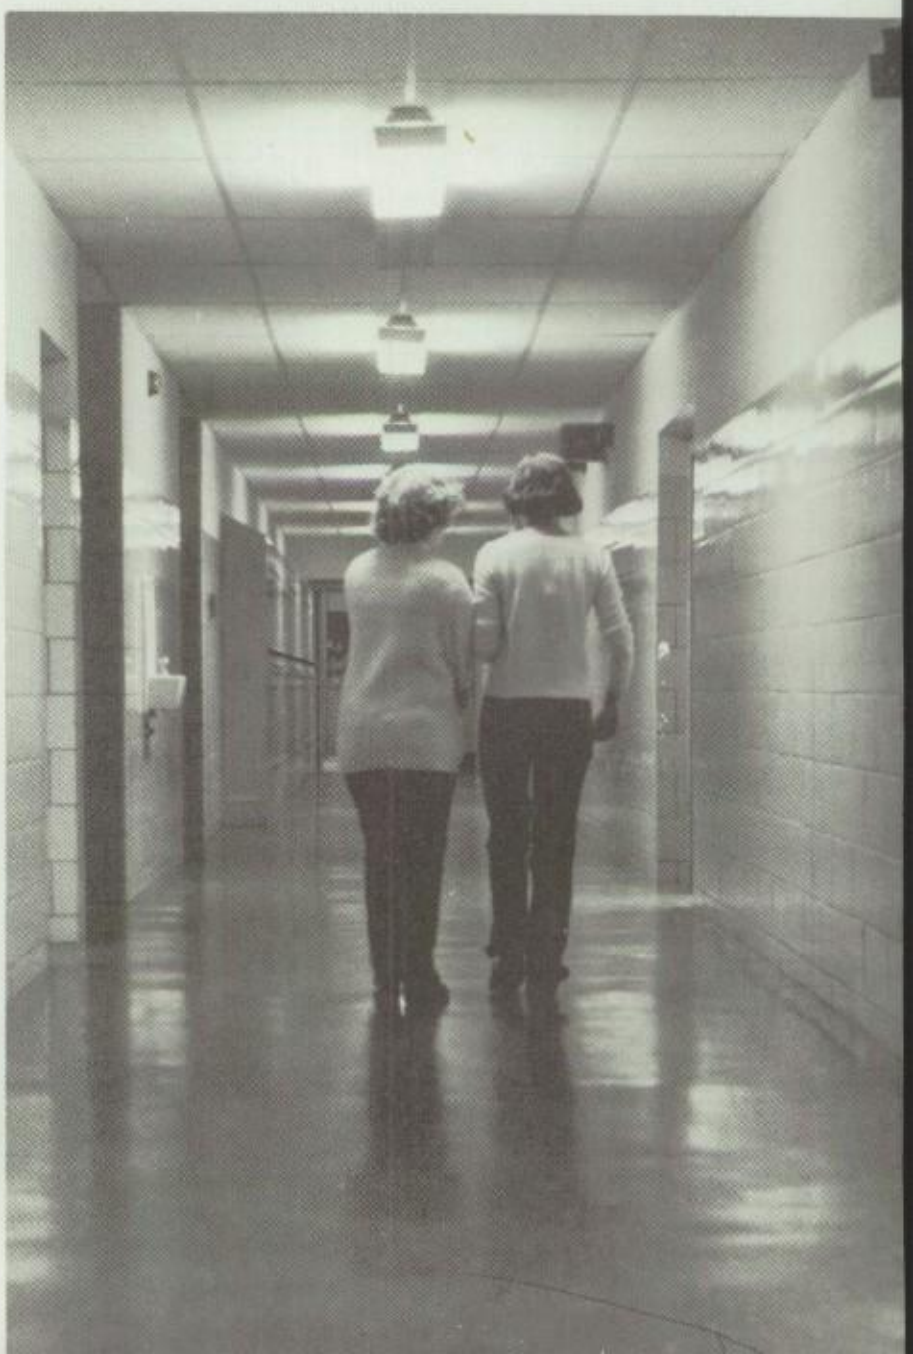
What's in front of us scares us a little



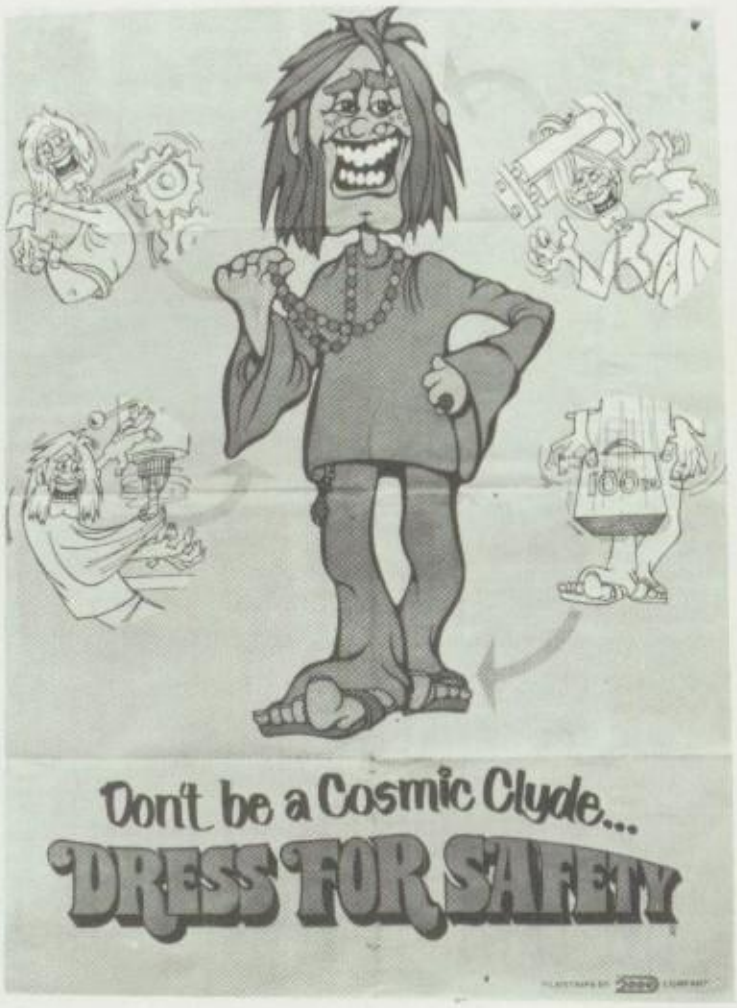




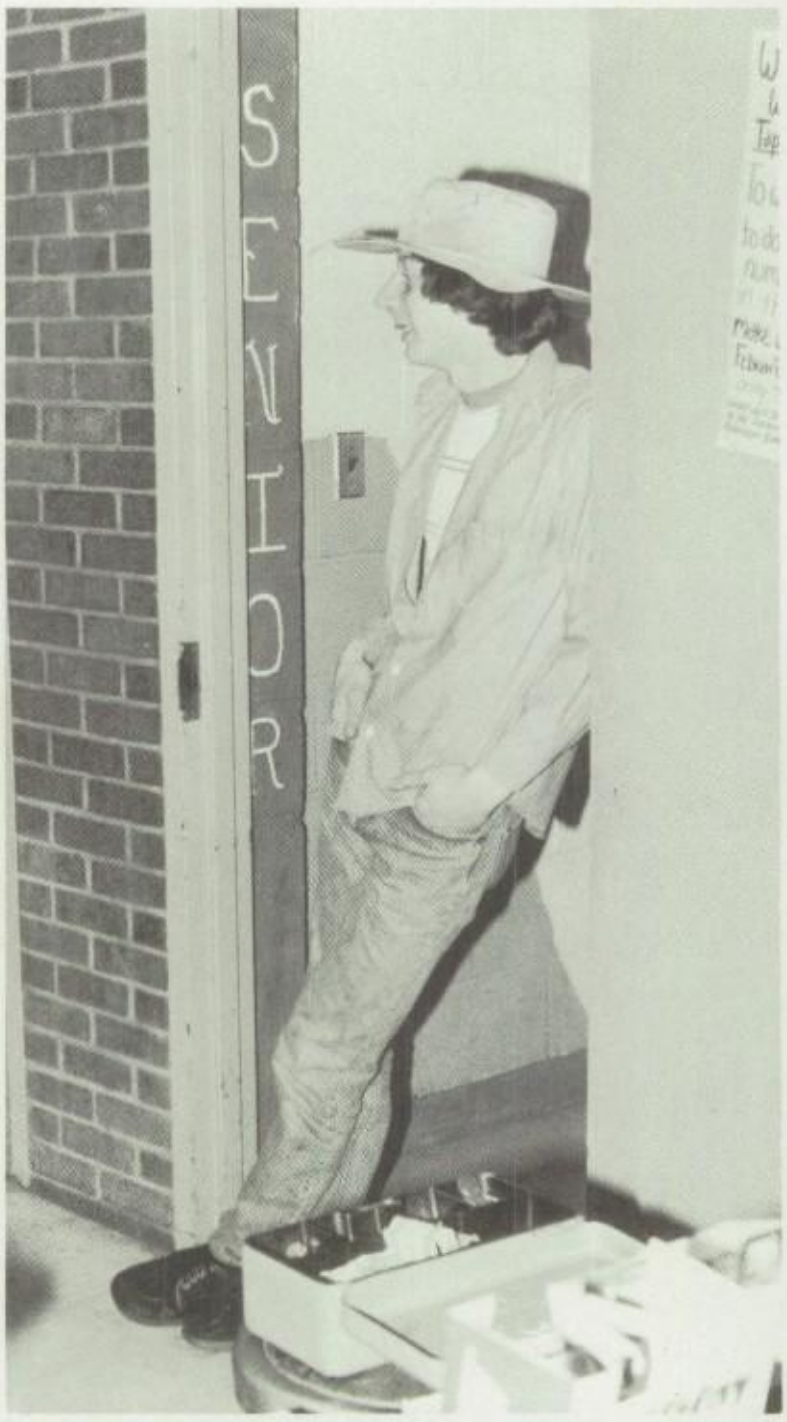
It's only natural;

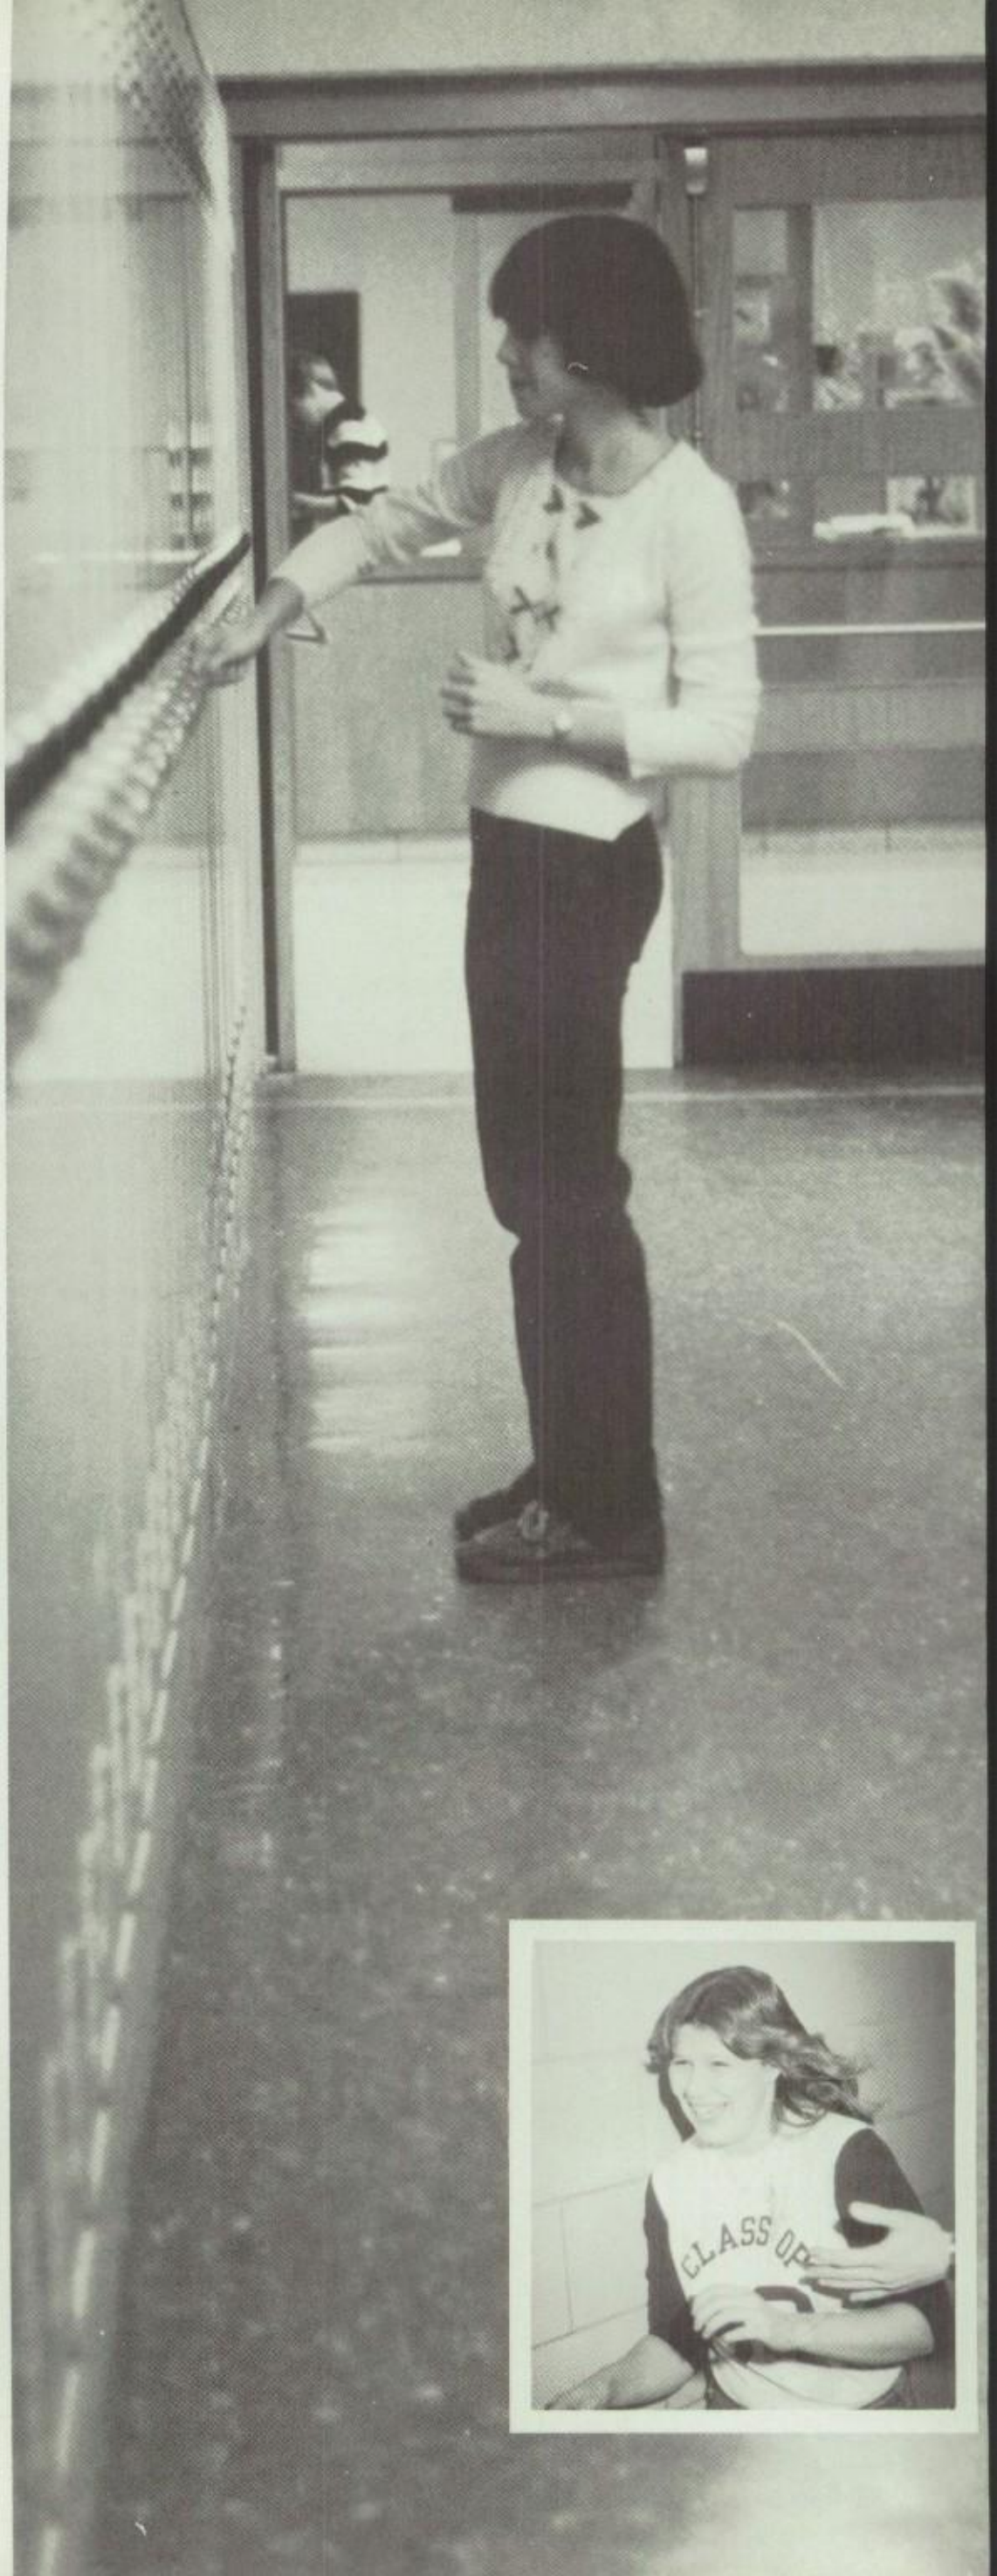


But we can make it.

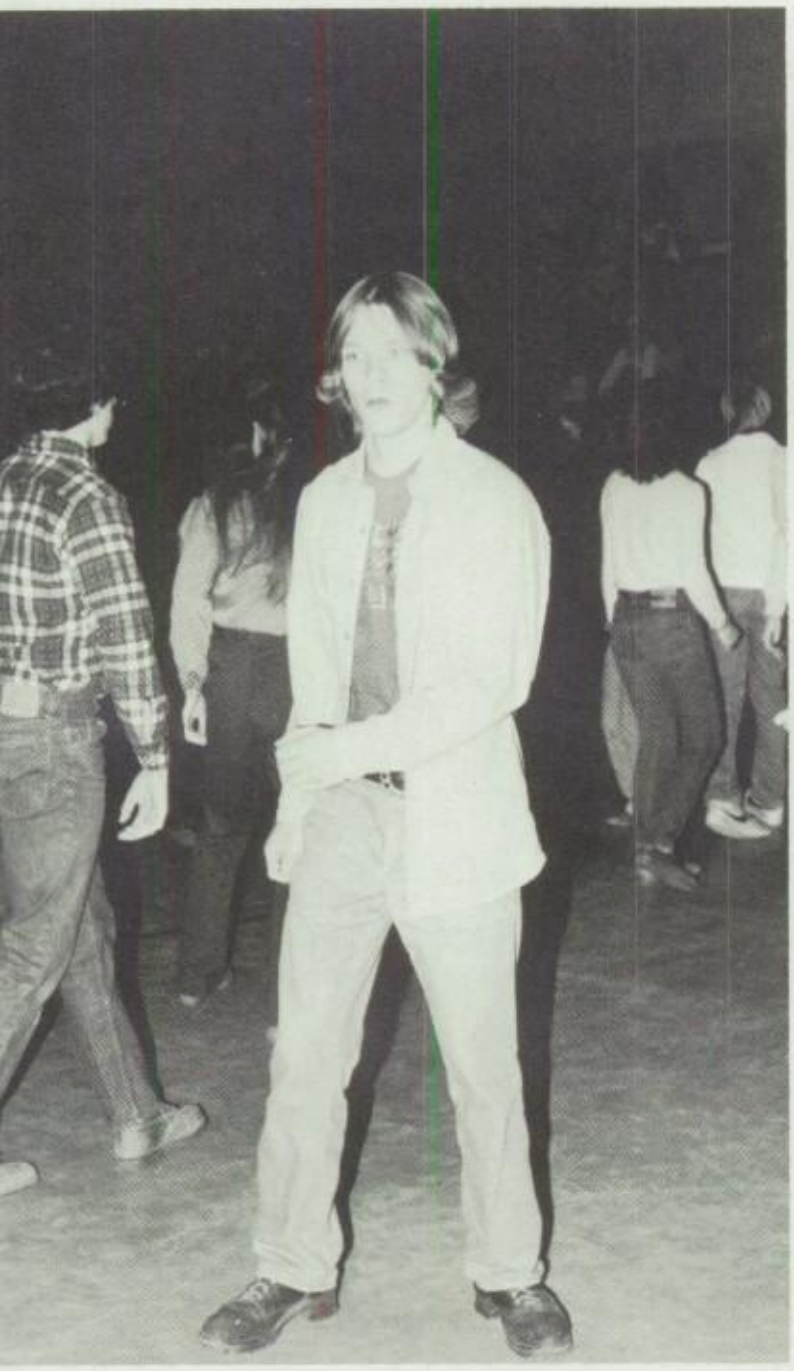


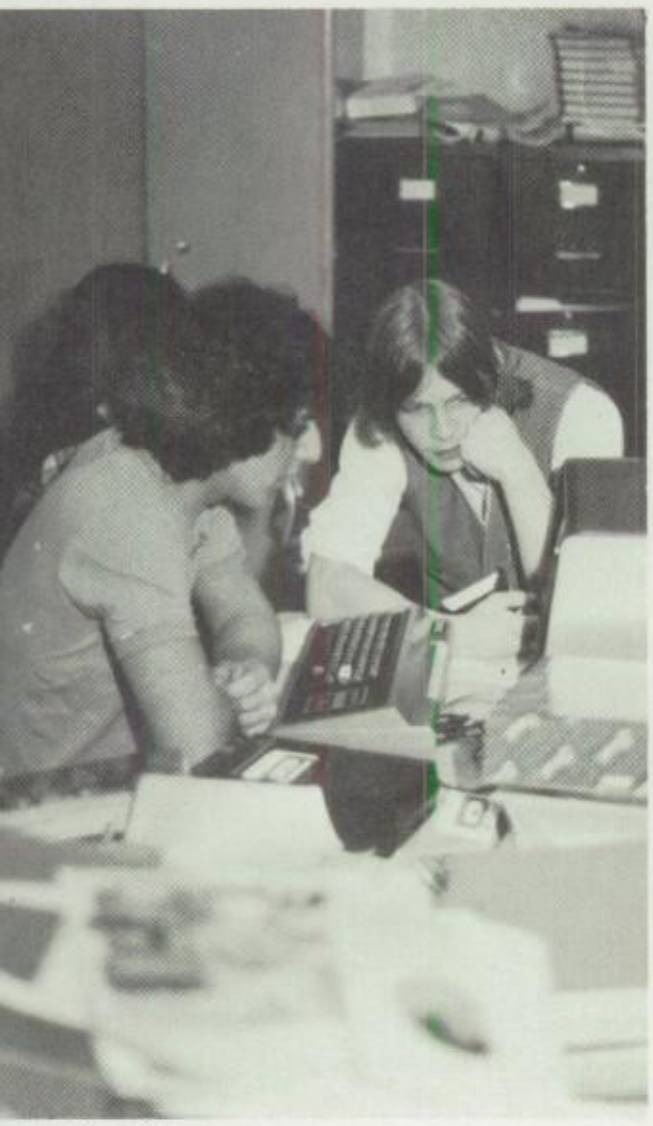
We are



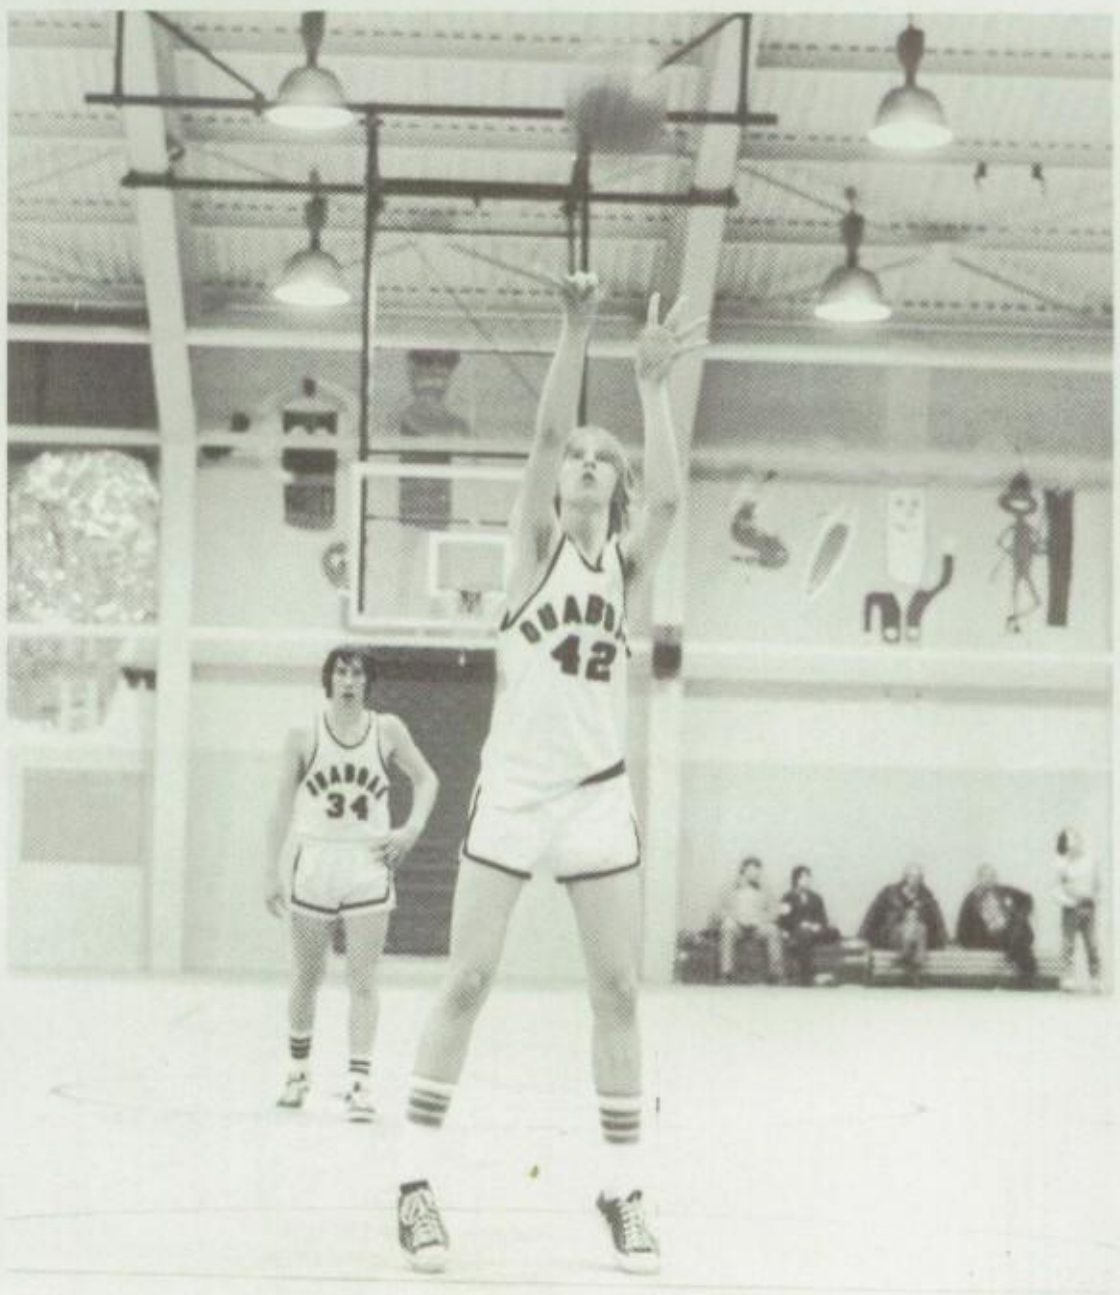


The Senior Class

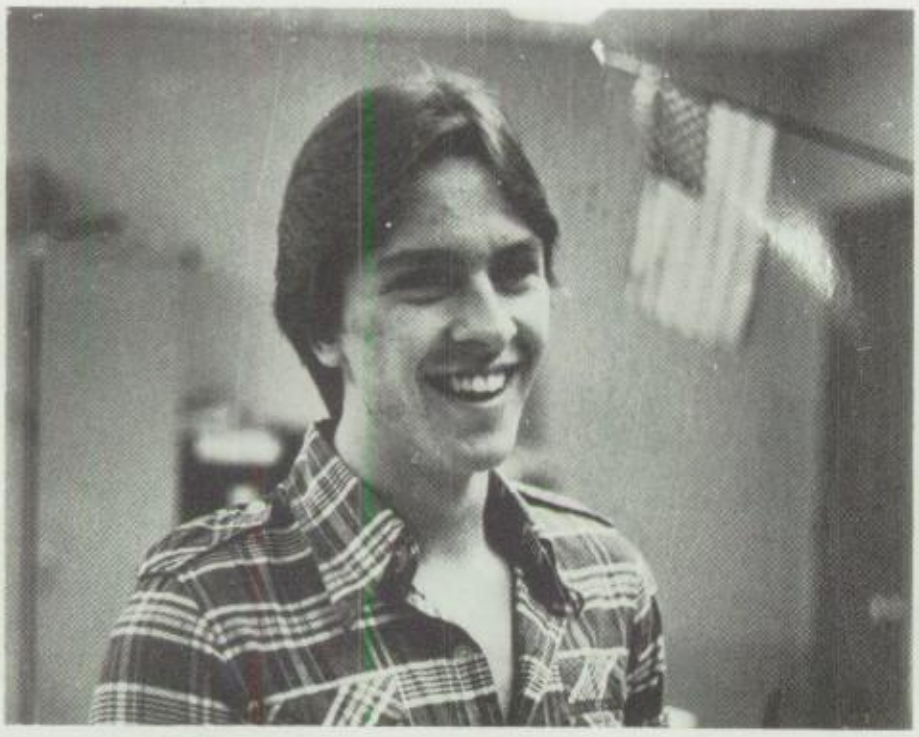




Our spirits are high.



Our dreams are beginning.



Our time is here.
